## SUMMARY:

**Palazzo Monsignor Ippoliti** – a 430 sq.mt. stately historic palazzo from the 1700s requiring restoration set in one of the oldest parts of the medieval hilltop historic centre of Arpino. Features of the property include splendid high-ceilinged rooms with antique wooden doors and floor tiles, the elegant marble stairwell, the family crest over the imposing front entrance, an antique kitchen with original fittings, and a roof terrace with panoramic views. There is the possibility to sub-divide into several apartments as per plans available on request
